► OPERATOR SUMMARY:

Originally founded in 2007, The Kebab Shop is proud to have opened what is considered to be the first real kebab shop in the US, offering “California-Mediterranean” menu with a Euro-Turkish twist. The concept for San Diego was influenced by the many kebab shops in Europe that can be found on almost any street corner, only The Kebab Shop has taken the idea and broadened its appeal in San Diego, offering a variety of döner kebabs, shawarmas, rotisserie plates, fresh salads, other menu items which have contributed to the restaurant’s local cult-like following. With 4 existing locations between Downtown, Little Italy, Mira Mesa, and Encinitas, the Kebab Shop has created a category of its own in San Diego quick-casual dining. thekebabshop.com
